

**FACE COVER UP**

Due to the technical nature of our performance garments, traditional sizing methods prove to be inaccurate. This sizing chart is designed as a guide only, to be used as a comparison with another technical garment. Lay the garment on a flat surface and use the above guide to compare measurements. Your local Champion System office has a range of sizing samples, you can request to try your size.

Size	A (Height)	B (Width)
Adult	160 mm	230 mm
Children	120 mm	220 mm

**Note:** *Champion System custom garments are all hand made bespoke pieces. During the production process there may be a small natural variation on sizing that should not exceed 1.5cm on any measurement.*
